INDIAN TALENT
GLOBAL OPPORTUNITIES

Your Journey to Become an ETO

A clenar step-by-step process from admission to shipboard training.

1

College Selection & Entrance

- Apply to a DG Shipping-approved college (like HIMT, Tolani (TMI), AMET, etc.)
- Clear the college's online entrance exam and interview
- Pass the DG-approved medical fitness test

2

4-Month Campus Training

- Strictly residential / hostel-based programme
- Learn marine electrical systems, switchboards, automation, control systems and safety drills
- Hands-on practical training

3

Document Collection

- After successful completion of the course
- College will issue your INDoS Number
- Obtain your CDC (Seaman's Passport)

4

Onboard Training (Sea Service)

- Apply to shipping companies for placement
- Join as a Trainee ETO
- Complete 8 months of onboard training on a commercial ship

Course Details

Course Name	:	Electro-Technical Officer (ETO)
Duration	:	4 Months
Mode	:	Strictly Residential (Hostel-based)
Approval	:	DG Shipping, India

Eligibility

You can apply after completing:

- B.Tech / B.E. in Electrical, Electronics, E&C or related engineering branches (As per DGS norms)

OR

- Diploma in Electrical, Electronics, E&C or related branches (As per DGS norms)

What You Can Earn

Trainee ETO	₹30,000 – ₹60,000/month
ETO (After Experience)	₹1,00,000 – ₹3,00,000/month

Indicative figures based on company, vessel type and experience. Actual salary may vary.
